STRONG RELATIONSHIPS STRONG RESULTS

Built With Pride

SUBCONTRACTORS SUPPLIERS & VENDORS

Working with Gibbs

Strong relationships are the foundation of every successful venture or project. For nearly 35 years, Gibbs Construction has cultivated solid, enduring relationships with subcontractors and suppliers in New Orleans and throughout the southeast region. We follow the Golden Rule by treating subcontractors, vendors and suppliers with integrity, respect and equity. As a leader in the community, we engage in continual, proactive outreach to small, minority and disadvantaged businesses.

Our extensive resource of local cost information and our substantial local subcontractor pool allow us to provide our clients with finished projects on time and on budget.

Subcontractors, suppliers and vendors can expect Gibbs to treat them with dignity and fairness and to meet all contractual obligations.

GIBBS CONSTRUCTION

Built With Pride

Gibbs Construction provides construction and design-build services in a variety of markets. From a modern healthcare facility, to an urban high-rise multi-use building or an historic renovation, we bring integrity, accountability and innovative solutions to every project. We build success by forging strong relationships and practicing a team approach, with continual, open lines of communication. We provide unsurpassed expertise and professionalism, along with the key understanding of facilities and their usage. Plans become reality. Dreams are realized.
